

PRIMORYE®

(Prē-MOR-ya)

The Ancient Power of Adaptogens

Backed by more than 50 years of research and 3,000 scientific studies, adaptogens work at the cellular level. Scientific evidence shows that adaptogens increase the ability of cells to manufacture and use cell fuel more efficiently in periods of stress. In particular, these substances increase the capacity of cells to use energy.

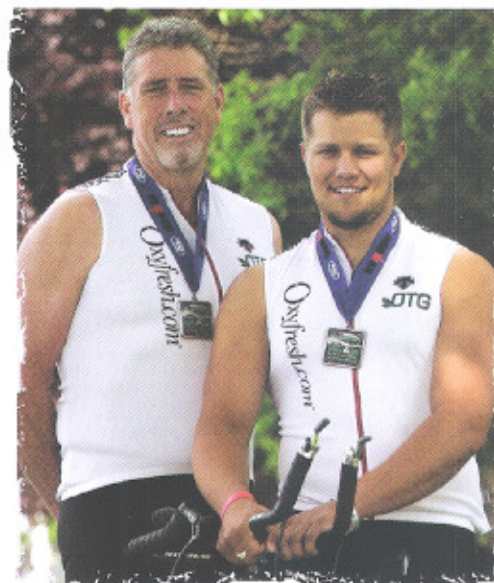

PRIMORYE®

#3135 (32 fl. oz. single) | #3813 (32 fl. oz. 4-pack)

Enhance your energy, mental clarity, endurance and composure with **Primorye®**. Seven scientifically proven herbal adaptogens are the secret behind this nutritional tonic, which also includes antioxidants, minerals, an aloe base and botanicals to promote complete wellness. (Shot glass included).

PRIMORYE® (Prē-MOR-ya) IS LOADED WITH 8 ADAPTOGENS:

- Eleuthero Root
- Aralia Mandshurica
- Rhaponticum Root
- Eleuthero Leaf
- Rhodiola Root
- Schizandra Seed
- Licorice Root
